THAT WAS THEN, THIS IS NOW

"That was then, This is now". You will see this classical, timeless quote repeated throughout this yearbook. Cornerstone 1999 serves as a photograph diary, with memories of what was then. The fall season saw football, volleyball, and various organization activities. That was then. The spring season saw track, drama, and lots of other exciting events. This is now. Now, summer is soon upon us, and join in our celeberation of Cornerstone 1999!
Cheers,
The Yearbook Staff!

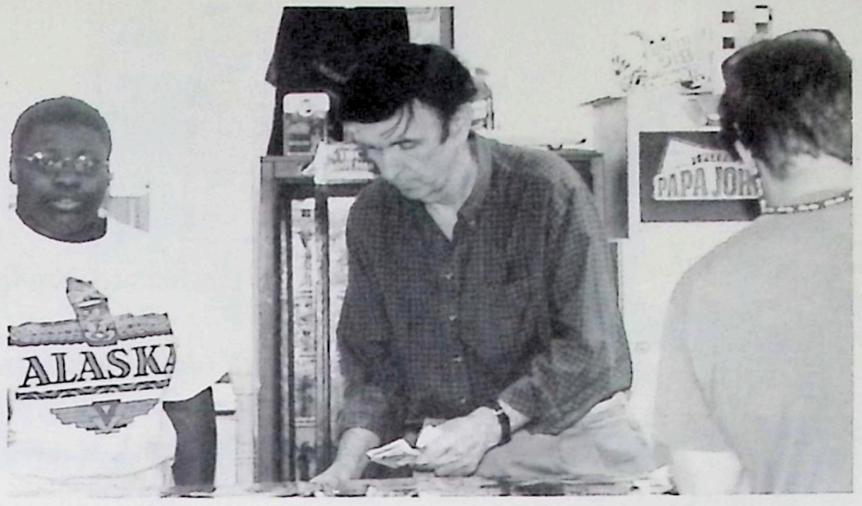
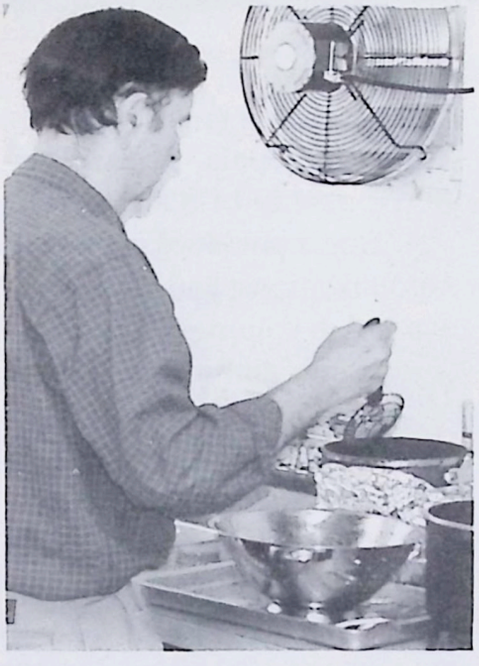
The time has come again for the Yearbook Staff to perform the difficult, but honored task of choosing a person to whom *The Cornerstone*, 1999 is dedicated. After much discussion we are dedicating this yearbook to a New York City native, although he did his "growing up" in California.

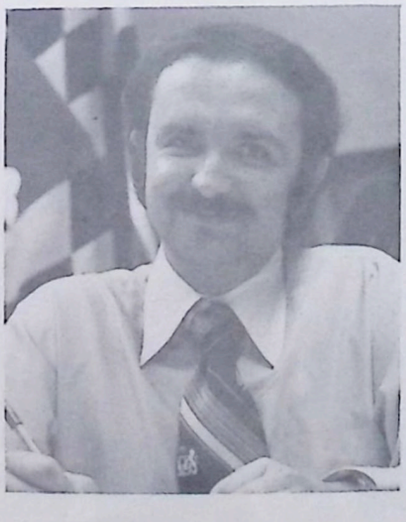


This alumnus of the California School for the Deaf, Riverside attended Gallaudet University for his Bachelors Degree in Library Science. After graduating in 1970 he was employed at Gallaudet's Research Department for two years before joining the Maryland School for the Deaf in August of 1972.



He began his employment as a Student Life Counselor in the High School Dormitory for two years after which he transferred to the Elementary Department where he worked for twenty-five consecutive years. His ready sense of humor and easygoing attitude toward everyone won him solid respect and admiration from his students, their parents and his fellow employees. He not only has left a mark on the many students that he has served and taught, but he also has left an indelible mark in the physical setting of the school.

The capstone of this person's career has been the last two years where from the ground up he planned, designed and helped build his biggest and most successful project: Checkers, the school's teen center. Not only has Checkers become the social center of the campus, it also has won rave reviews from students and employees visiting from other programs. We know that his creativity will continue to serve many students long after he has retired.



It is only fitting, therefore, that we recognize his many years of dedication and effort by honoring him with this year's *Cornerstone*. We hereby bequeath *The Cornerstone* of 1999 to . . .

Congratulations Members of the Graduating Class of 1999!

Achieving "High School graduation" is a significant milestone in our society! As you move on to post-secondary studies or the world of work, you will treasure throughout your lifetimes knowledge, skills, experiences, and friends you gained at MSD.

Year 2000 is around the corner. Our world society is experiencing great optimism, and at the same time great anxiety as we approach the new millennia. Technological and medical breakthroughs continue to enhance the quality of our everyday lives; however, we worry about the extend of the Y2K Bug's potential impact on international commerce, power utilities, satellite communications, and other computer-related functions. The Internet has brought incredible volumes of information from all over the world to our fingertips. As we learn and appreciate the wonderful multi-ethnicity of our world neighbors, we still struggle with ethnic cleansing, civil wars, racial hatred, and intolerance for cultural diversity. Schools are being modernized and are now more accountable regarding student achievement, but continue to experience horrific random school violence inflicted by students themselves. It is with much hope that each of you will enter the new millennia with technological and social tools and a moral compass which will assist you as you navigate throughout your lives and make contributions to your family, community, and work place.

Each member of the MSD Community wishes you the best of luck in your future endeavors, and you are always welcome to visit us and share your "world" experiences with our younger students!

Best wishes,

James E. Tucker

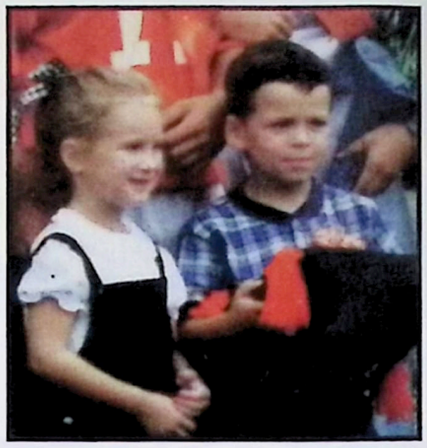
BOARD OF TRUSTEES—Front row: Jeffrey W. Lewis, J. Howard Leonard, Irajean W. Harper, Lisa D. Smith, Anjali D. Margolin, and Candace Tucker. Second row: Joseph J. Innes, Samuel M Sonnenstrahl, David S. Birnbaum, Lynne S. Brodell, and Ann H. Brockenborough. Third row: David A Severn, Edgar B. Palmer, Peter K. Isquith, Michael Fields, and Donald Eichelberger. Absent: Harvey Goodstein, Alan Marcus, and Mary Jane Sanders.

MSD - Go - Fight - Win!



Little cuties, Liv Polzin and Asher Kirschbaum are the lucky ones who get to present the crowns to the Homecoming King and Queen.

MSD Homecoming of '98 proved to be a season of disappointments and accomplishments. One unusual thing about this year was that Homecoming's date was backed up earlier than its usual date in October. On September 19th, our school challenged Indiana School for the Deaf, for both Varsity Football and Girls Varsity Volleyball. Unfortunately ISD Varisty Football team outran our football team at 45-6. It was a discouraging defeat, but our team proved themselves to be men and accepted defeat gracefully. Hands up to them!

Our volleyball team did their best, but ultimately yielded the victory to ISD, 2-1. It is hoped by everyone that MSD will make a comeback when Homecoming '99 rolls around next year.

The Homecoming day was charged with its usual perks: rowdy fans, great food stands, alumnae, and the crowning of the Homecoming court. Also the Orioles' Song made its famous annual debut, performed by seniors Sam Thuahnai and Stephanie Gasco. All in all, it was a great Homecoming, even though we didn't get our coveted victories.

The opposing team, Indiana School for the Deaf, looks stunned as Laura Tarbox pulls off a brilliant kill with a magnificent jump.

The bleachers are jammed as usual with fans cheering their teams on!

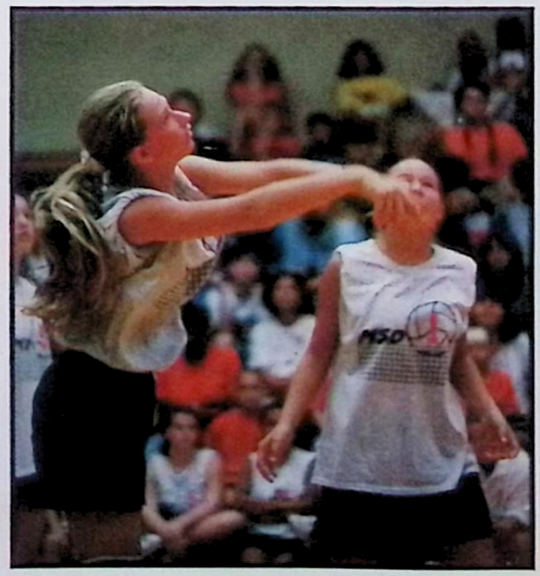
From left to right: Joshua and Kimberly (So.), Juan Carlos and Stephanie (Sr.), Franco and Belynda (King and Queen), Ryan and Kristin (Jr.), and Jason Coleman and Lacey (Fr.)

Meditation is everything as our team listens to the coaches.

The cheerleaders do what they do best: FIRE UP THE CROWD!

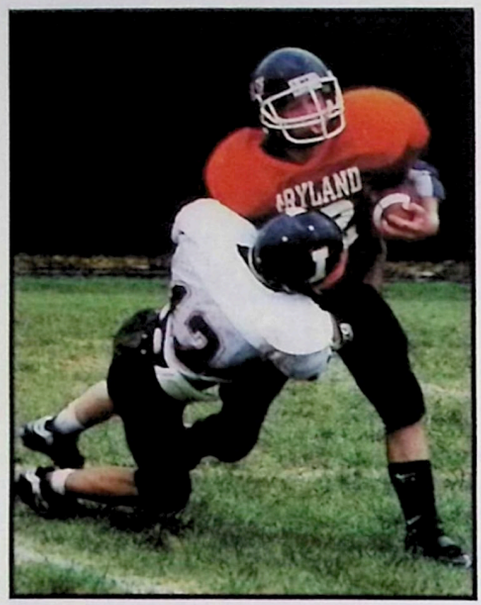
Veteran player Shawn sees daylight as his linemen bulldoze through the defense.

Power and grace shows itself in Jessica's offensive spike.

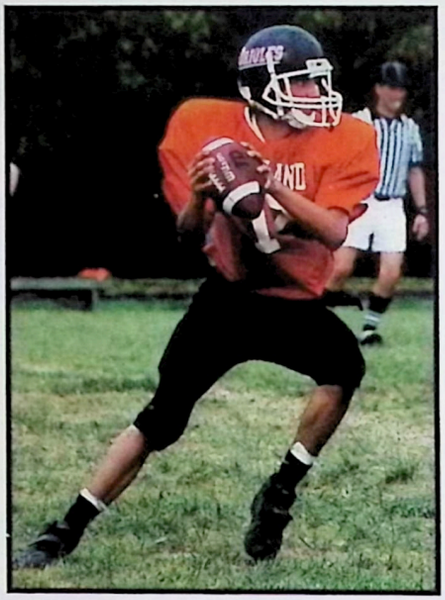


Laura Lohmeyer is always at her best, defending the court from corner to corner.

Go, Orange, Go, Black...



Jason Sunderland evades his opponent's attempt to tackle him.

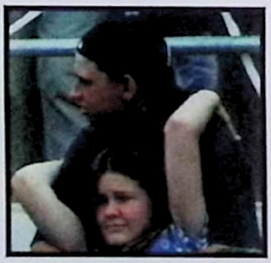


Jason Coleman is poised for a Kodak-moment pass.

Here is our man in wood!

It is a memorable moment for the Bailey family as Superintendent Tucker does the traditional crowning of the Homecoming Queen, Belynda Bailey.

Our Prince , Juan Carlos, limps along as Stephanie, our Princess, waves to the crowd with a dazzling smile.



Robert Steele seems to be unstoppable as he plows across the football field with the ball safe in his arms.

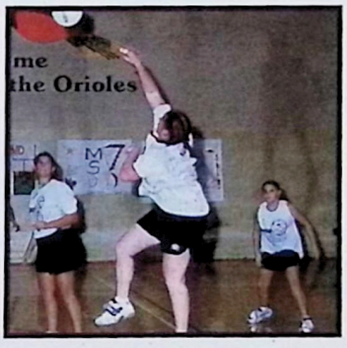
The truth is that most of the fans spend most of their time chatting and socializing during the game instead of watching the game.

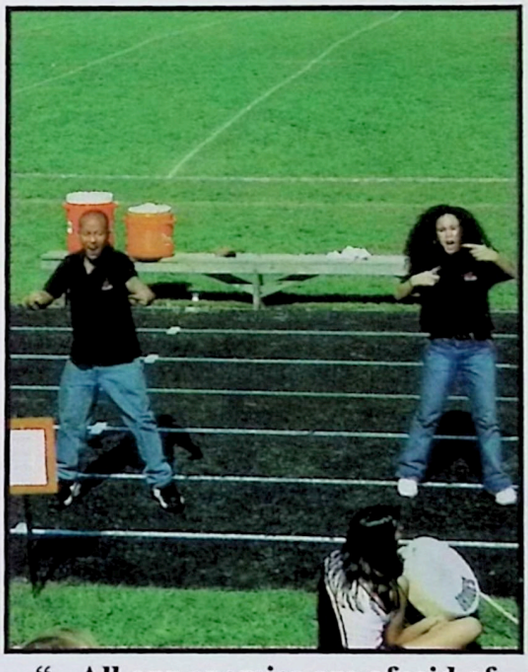
Fallon shows what stuff she is made of by excuting a flawless jump.

Teri is about to make a spike across the net.

The volleyball team moves into the proper form for passing the ball.

Tiffany Reeder shows a marked improvement in her spikes compared to last year.





"...All our enemies are afraid of our MD teams..." (Orioles' Song done by Samuel and Stephanie)

Coach Tamara and her assistant coach Ray are always there for the team when they need them.

Ettagrizel (Tabitha Markel) and Bellagrizel (Jessica Baldi) are two spoiled stepsisters who make Cinderella's life miserable.

Rover (Laura Lohmeyer) comforts a despondent Cinderella (Kimbery Clapp).

Doesn't Fairy Godmother (Jessica vonGarrel) look very beautiful and elegant?

It is a moment of joy for everyone, except the wicked family, when the glass slipper fits Cinderella.

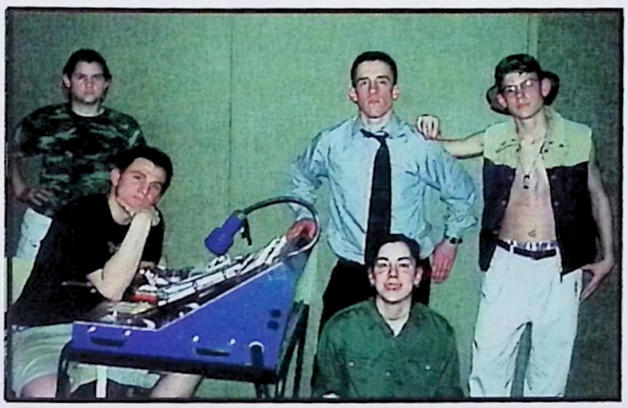
Like father, like son. (Jason Yeh, Ryan Zarembka)

Transformed from a worker girl into a princess, Cinderella is ready for a night of her dream.

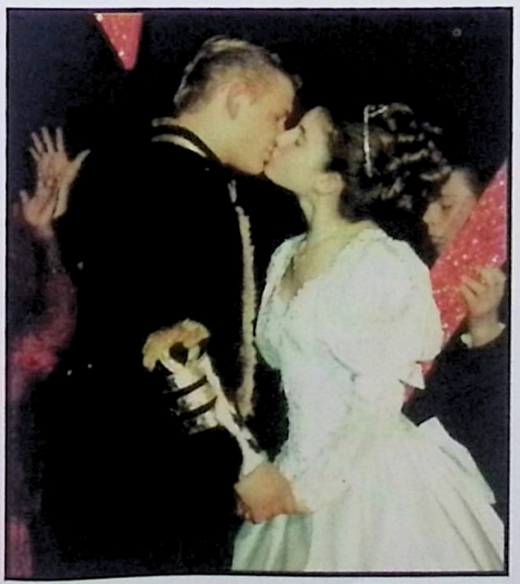
The party is still in full swing!

"Open your mind to be who you act like," that's what Rita Corey, the director, is saying.

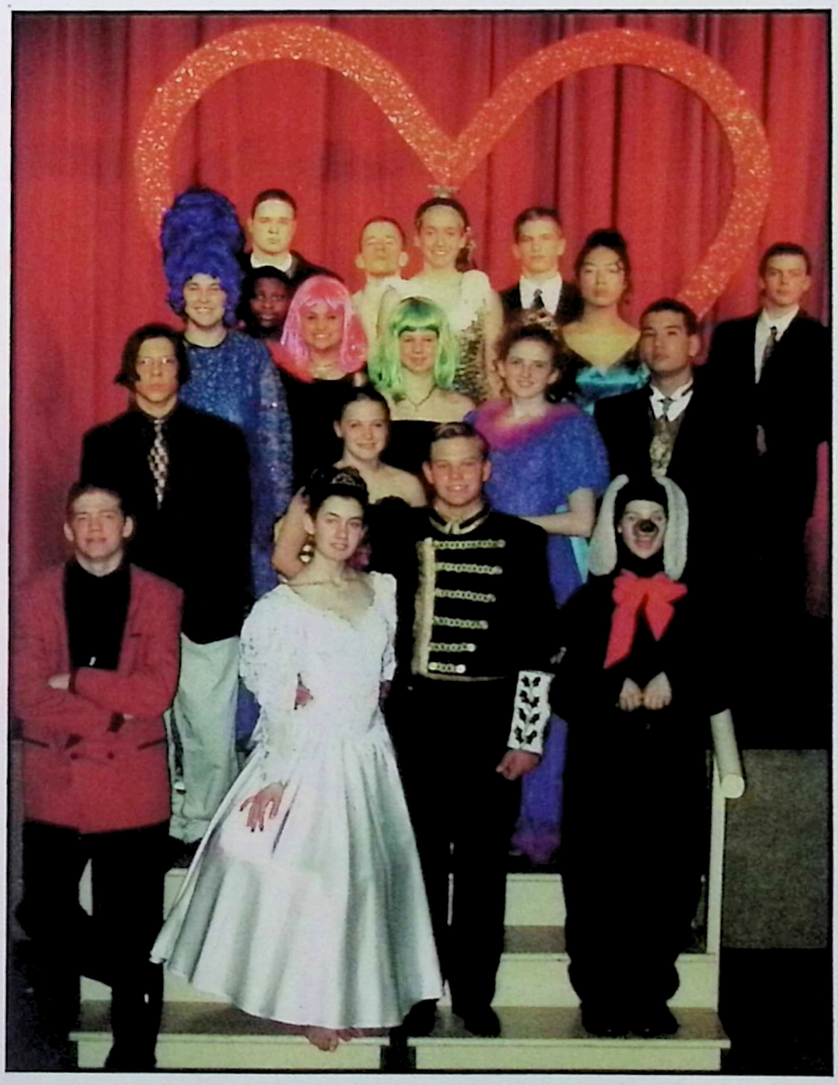
Cinderella



Hey, this is a celebration, not a funeral!



Oohhhhh - the dream kiss between Prince Charming and Cinderella!



A touching moment under the heart.

Hail to our mighty Orioles,
Spirit and Hail to our Maryland School for the Deaf,
Its colors are orange and black,
All our enemies are afraid of our school,
Because they know we are #1,

See how our short, tall, fat, thin, slow, fast, ugly, good-looking Orioles are,
That was then, this is now,
Spirit and Hail to our Maryland School for the Deaf,
Its colors are orange and black,

The Orioles have watched over us,
Whom have grown from baby footsteps to adult footsteps,
When we get discouraged,
Do we give up?,
Wait, wait, wait, the Orioles make us willing to fight,
Stubbornly from sunrise to sunset,

Hail to our Mighty Orioles,
Spirit and Hail to our Maryland School for the Deaf,
Its colors are orange and black,
The Orioles have been waiting for us to take the paths,
That is in front of us,
As babies, the obstacles were too great,
As adults, the obstacles became obsolete,

Hail to our Mighty Orioles,
Spirit and Hail to our Maryland School for the Deaf,
Its colors are the color of our Orioles,
ORANGE and BLACK!

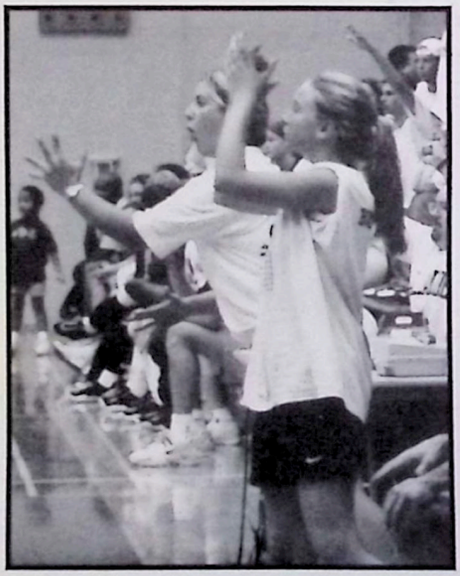
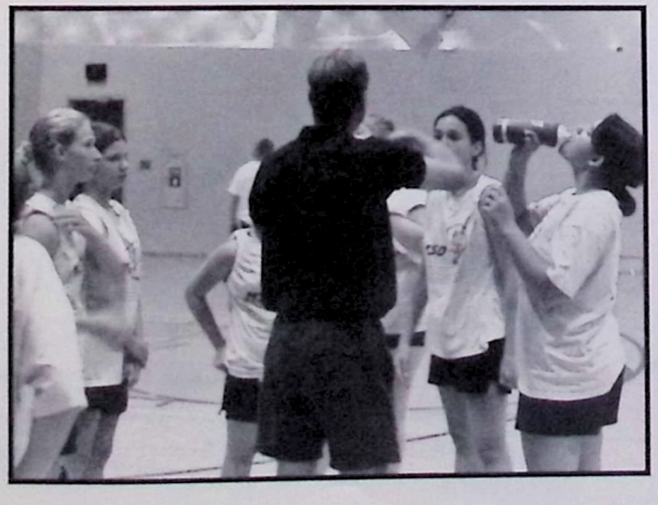
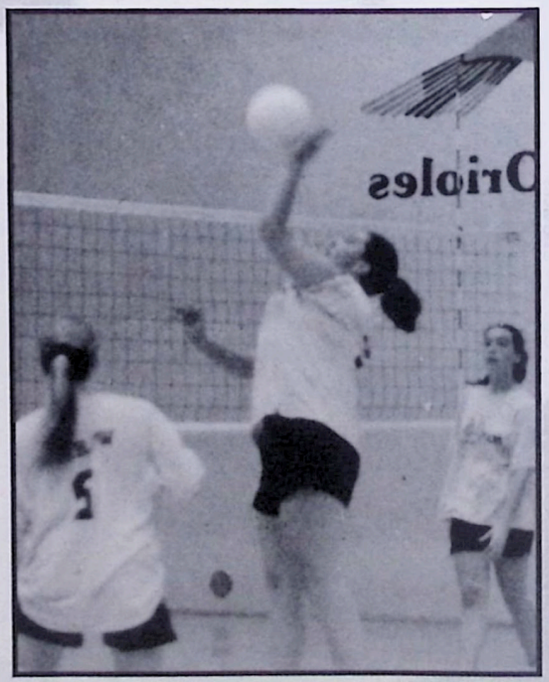
"1, 2, 3 Da bomb" is what the lady orioles shouts while Laura is about to spike the ball.



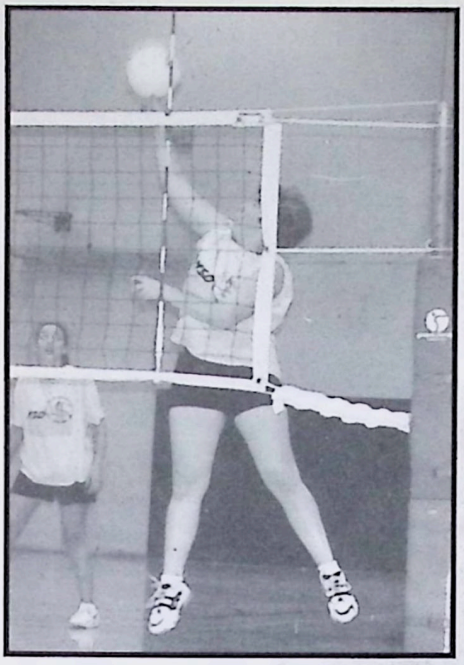
The Lady Orioles would go out on the court and play their hearts out. They improved their attitudes, and talents throughout the season. Even if they didn't win, they are winners at heart. Memories of practices, games, and ESDAA will always be cherished. "To achieve a dream, play, seize the shadow and make it a reality."

Regardless of the fact that the volleyball team is taking a time-out, their minds and bodies are still tuned for prime action, as Assistant Ray Lehman dishes out some sound advice.

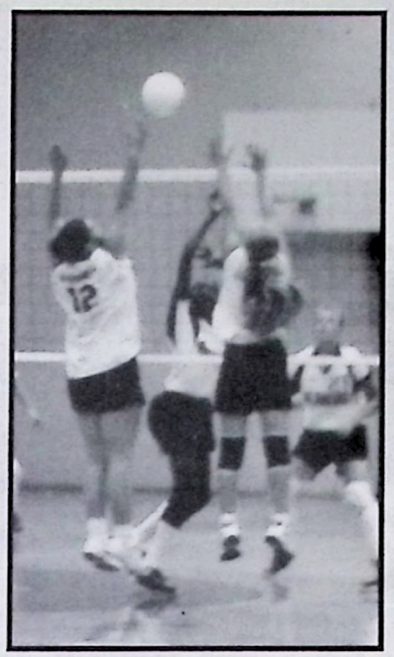




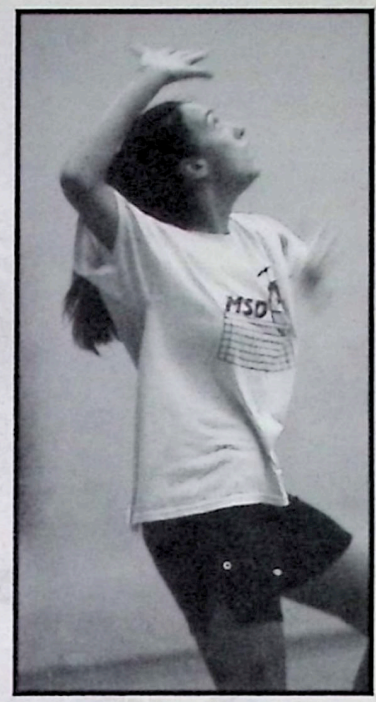
Handling the volleyball is what Teri does best.



The word "phenemonal" is the only word that can describe Laura's picture-perfect jump.



Teri Monroe and Laura Lohmeyer try to defend their court as they block their opponent's hit.



Hallelujah, Praise the Lord!

Eager and at the same time worrying about how she will look for the yearbook.

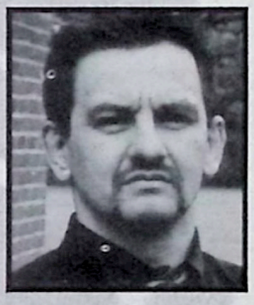
Unquenched thirst for a kill

This season has been so sweet for the wrestling team. The MSD wrestling team placed third at St. James invitational Tournament in Hagerstown where it met 1A/2AA wrestling teams. The MSD grapplers swept the championship title at the Grace Brethen Invitation Tournament. We managed to defeat few tough deaf schools at ESDAA "open" Tournament at Lexington School for the Deaf and won the title . . . We defeated Texas School for the Deaf which won the third place in the State of Texas. In addition, almost all of the other wrestling teams have their winning seasons, also.

One of the most exciting mets this season was between Urbana HS and MSD. Our wrestlers showed them our hearts . . . Urbana HS defeated us in the hot match. The score was 35-27. Later Urbana HS won the Frederick County Title and was one of top teams in MD.

Another exciting event happened, when our team defended the ESDAA title. In fact, host Lexington invited Calif. School for the Deaf-Fremont, Texas School for the Deaf and Model Secondary School for the Deaf. There were nine wrestling teams at ESDAA. Coach White announced, "We did it at last! We are the king of ESDAA titles!" Many PSD Alumnis came to congraulate our wrestlers. We could not win the title without the fans of MSD, Frederick, MD. Some fans will call this tournament, "National Deaf Wrestling Tournament" since Florida, Ohio, Texas, Model Secondary School, and Calf,-Fremont join our ESDAA tournament. The individuals that were: 119 lbs Kevin Flynn and 130 lbs Robert Steele were gold medalists. 140 lbs Jermaine Brown, 160 lbs John Jones, 189 lbs Conrad Hause, and 275 lbs Pat Holness were silver medalists. 112 lbs Eric Oliver, 135 lbs Khao Tep, 171 lbs Antonio Jimenez were bronze medalists. 103 lbs Clint Zarembka, 125 lbs Adam Baker, 145 lbs Gary Denmark, and 215 lbs Michael Gardner won fourth place. Not one MSD wrestler were eliminated from the 1999 ESDAA Open Invitation Wrestling Tournament at Lexington.



Also, MSD and MSSD wrestling team had our rivalry during this season. Both Coach Todd Silversti and Coach Jeff White used to coach MSSD wrestlers together in 1992. This season, they went to head to head with MSD wrestlers defeating MSSD grappers four out of five times.

Do you know why? We knew winning is not everything, but having hearts for wrestling is. Our team record was 13 wins and 3 losts. All three times losses were in the hot matches with close calls this season. Coach Jeff White and Coach Chris vonGarrel have been working together for a long time, they enjoyed coaching wrestlers and made the spirit of wrestling at MSD very high indeed.

Front row: Andrew Weidig, Daniel Grossinger, Cody Reidy, David Broggin, Clint Zarembka, Chris Corrigan, Ben Jones, and Nicholas Comegna. Second row: Jermaine Brown, Khao Tep, Robert Steele, Wayne Wilkinson, Adam Baker, Kevin Flynn, Eric Oliver, Joe Harper, and Coach Jeff White. Thrid row: Ass't Coach Chris vonGarrel, Conrad Hause, Gary Denmark, John Jones, Michael Gardner, Charles Sterling, Jesus Pocasangre, Michael Burke, James Etheridge, Joe Monteforte, Jason Jones, Jason Sunderland, Antonio Jimenez, Patrick Holness, and William Bowers.

Jessica vonGarrel makes a clear statement that she is soaring in the air to score an easy 2.

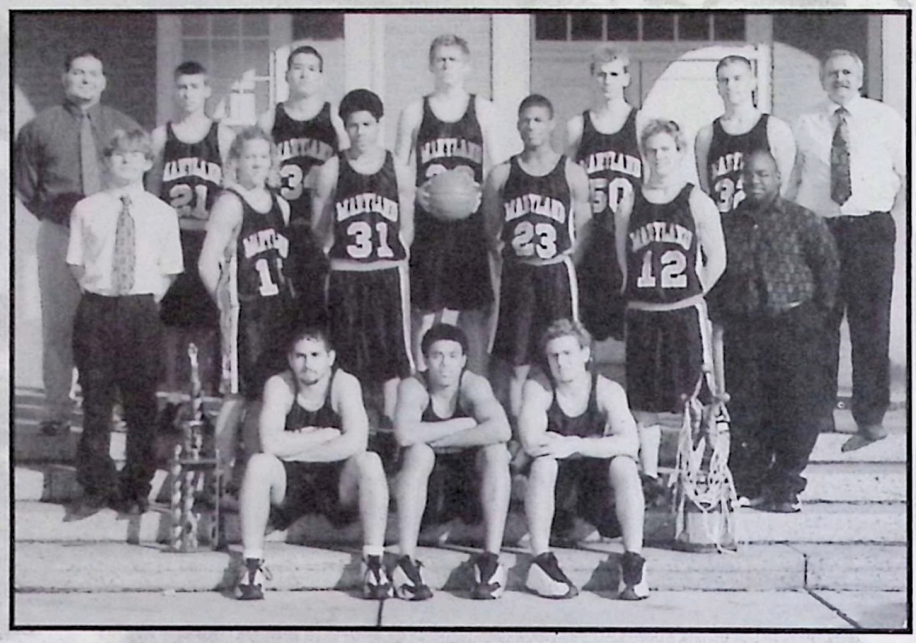
LADY ORIOLES

Front row: Teri Monroe, Jessica vonGarrel, Lacey Wilhelm, Laura Lohmeyer, and Fallon Brizendine. Back row: Ass't Coach Sherry Bradley, Tiffany Reeder, Kimberly Bruggeman, Ashley Gill, Jennifer Wood, Nancy Hoover, Linette Christopher, and Head Coach Lorraine Stoltz.

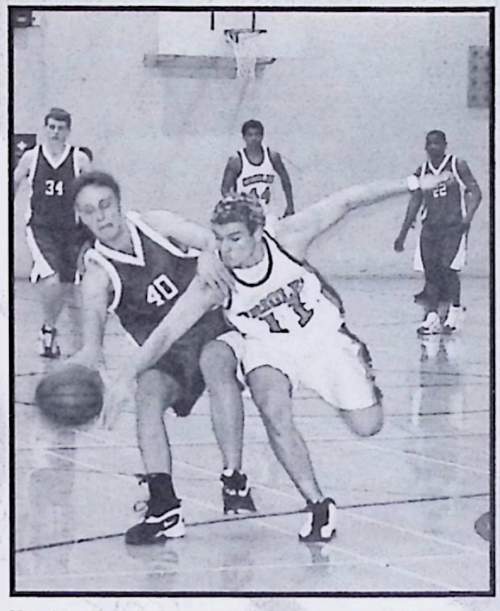
The team had a real "turn around season" compared to the 1997-98 season, that had a record of 7-16. This year's record is 13-7. There was a big improvement with the team's skill and performance. They were a GREAT bunch of players that showed lot of TEAMWORK. The team's "chemistry" was also one of the biggest factors for this year's succesful season. The team will miss senior, Teri Monroe and her famous "down in the corner" shot, where she always takes the ball and sboots it. The team's favorite memory about this season was having the whole team wearing black and white striped socks.

Eyes are on the ball hoping it will hit the bottom of the net.

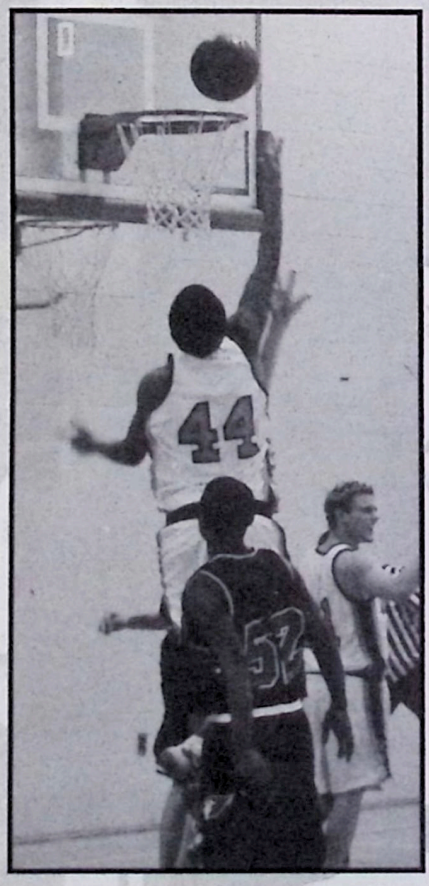
There they go again hoping desperately for a miraclous thing to happen!



Front row: Juan Carlos Borrero, Jonathan Ricks, and Franco Korpics. Second row: Manager Benjamin Mellott, Robin Shannon, Linwood Bonneville, Anthony Meadows, Shawn Shannon, and Manager Michael Edwards. Back row: Ass't Coach Albert Reins, Kurt Emmerich, Jason Yeh, Joshua Walker, Jason Coleman, Andrew McAllister, and Head Coach Jerry L. Bush.



If the ball was alive, it would have enjoyed all the fuss and the attention the basketball players give it!



Jon Ricks still keeps on going for the hoop like the veteran player he is.

This year's exciting and competitive schedules ended on a positive note as 1998-1999 Boys' Basketball team won the Eastern Schools for the Deaf Athletic Association (ESDAA) Tournament. The boys played their hearts and determination to win the ESDAA championship. Juan Carlos Borrero and Franco Korpics were named to the All-Tournament team. MSD's record for 1998-1999 is 13 wins and 11 losses. Seniors who will leave MSD this year are Juan Carlos Borrero, Franco Korpics, and Jonathan Ricks.

Could this be our next Michael Jordan in diguise?

Whoa, look at that smooth jump and form! Don't you wonder how many hours it took him to be able to do that?

Gee, why are all the mouths on the basketball players open? Is there something shocking they saw?

This year the cheerleading team went through a lot and was stronger for it. The season opened with Peggy Ann St.John as the coach, until her unfortunate depature mid-season. In spite of the odds, the team worked hard for the 1998 ESDAA tournament, held at Fanwood School for the Deaf. Captain Kimberly Clapp, Tabitha Markel, and drummer Samuel Thuahnai worked together with Kaye Fernandez and Hayley Thayer to claim the 3rd place for ESDAA. Samuel Thuahnai won All-Star Cheerleader award. Cheers and congratulations the cheerleading team for their high spirit all season long! ! Best of luck next year with your goal of winning the ESDAA championship!

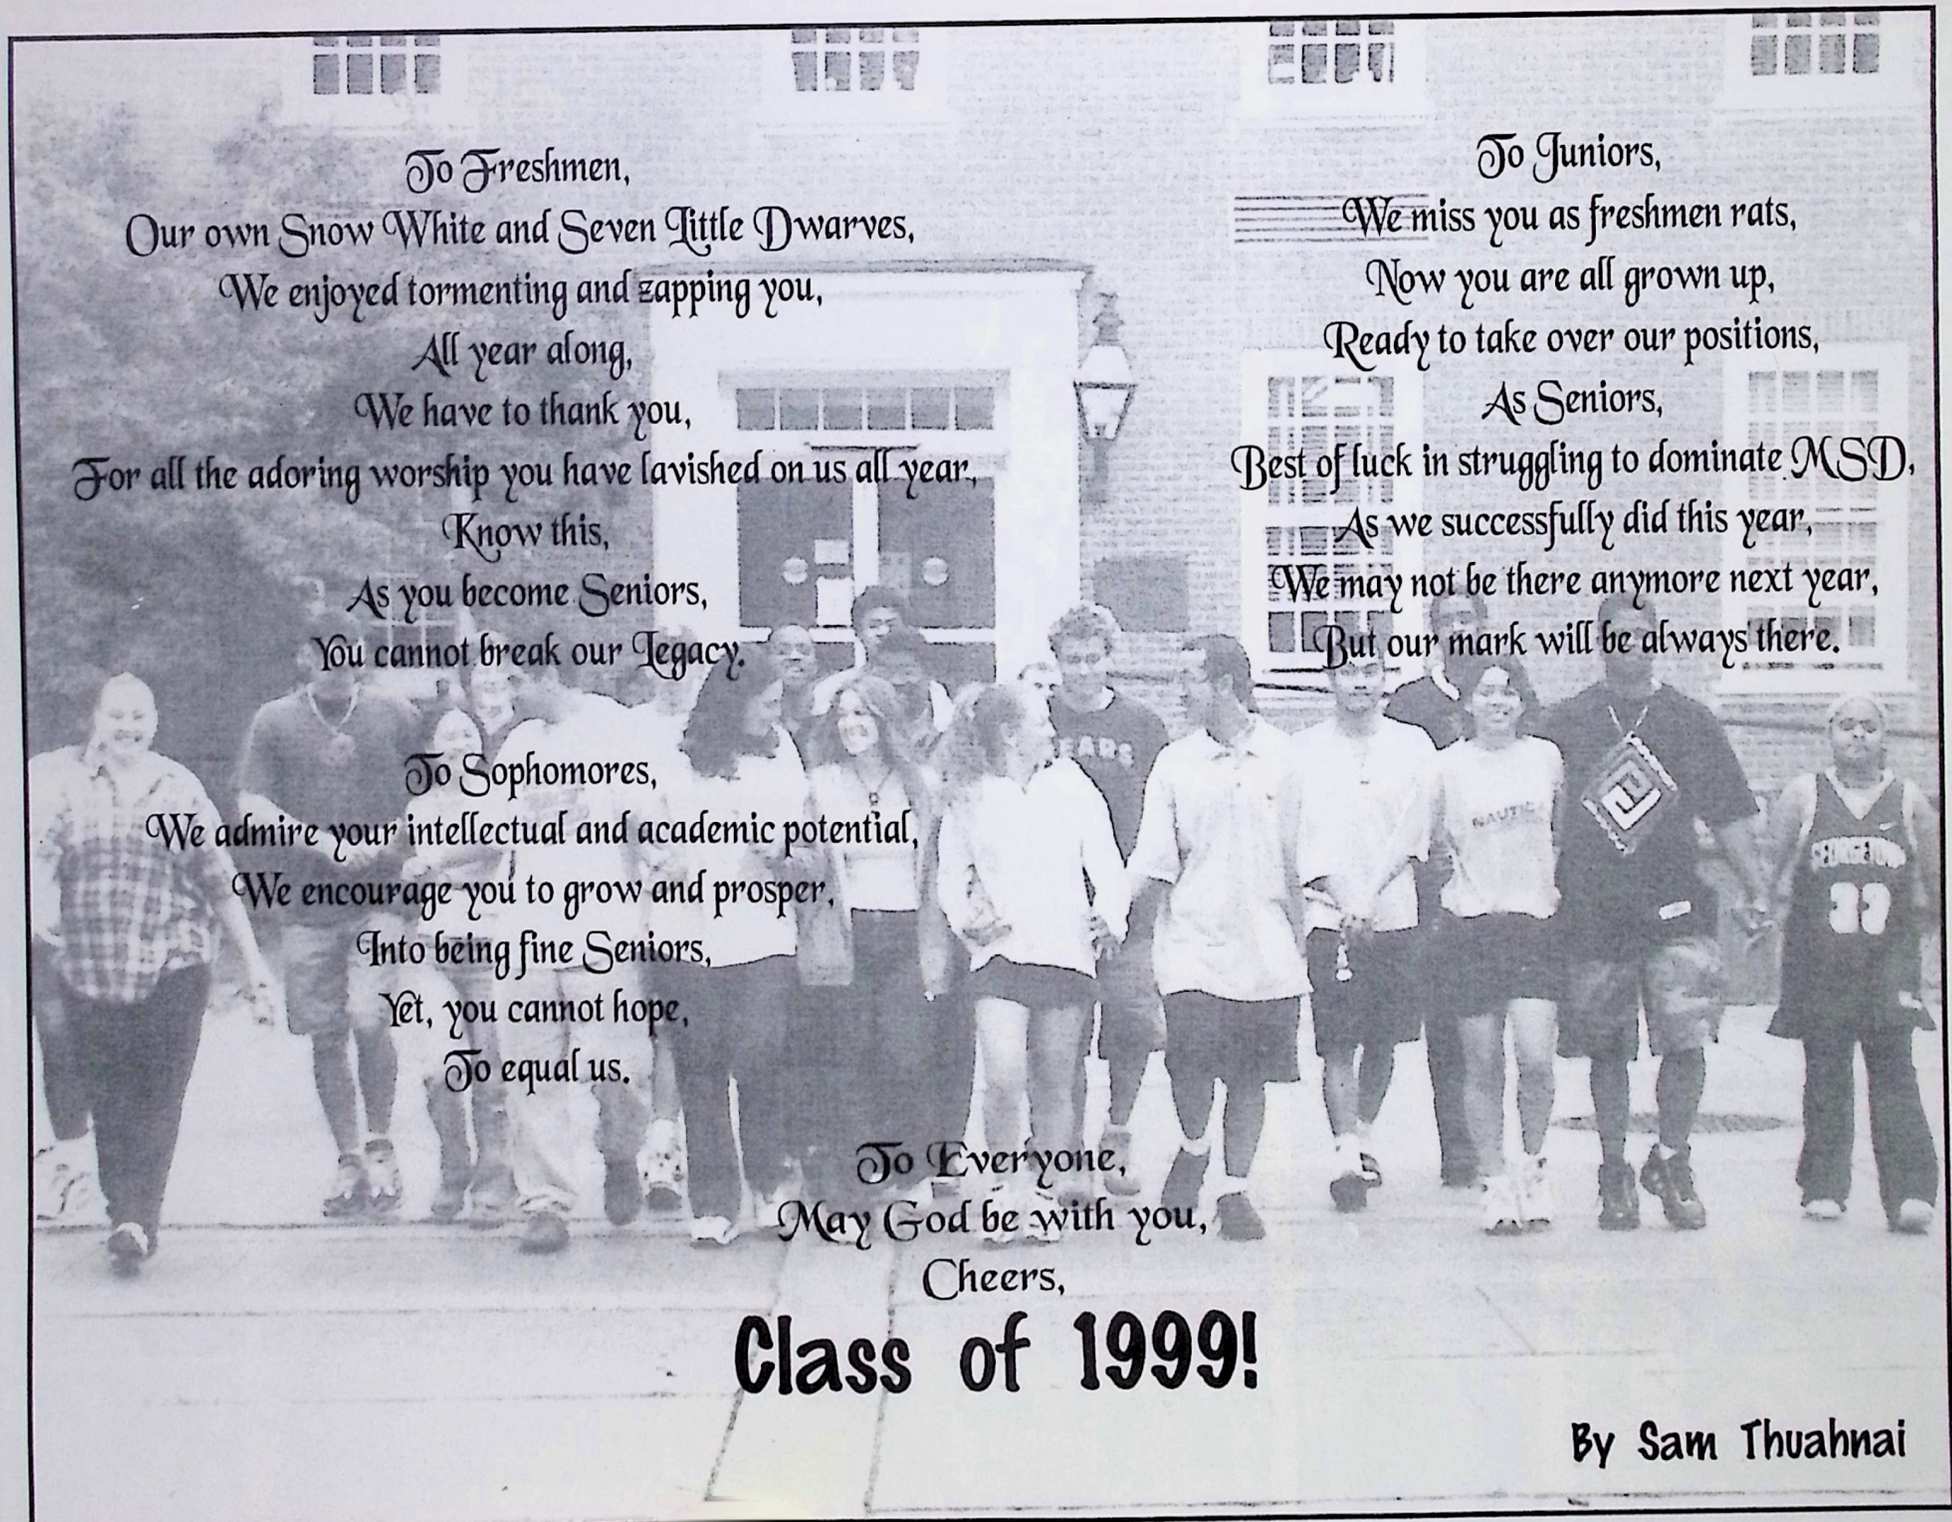
"Almost everything that was great has been done by us!"



To Freshmen,
Our own Snow White and Seven Little Dwarves,
We enjoyed tormenting and zapping you,
All year along,
We have to thank you,
For all the adoring worship you have lavished on us all year,
Know this,
As you become Seniors,
You cannot break our Legacy.

To Sophomores,
We admire your intellectual and academic potential,
We encourage you to grow and prosper,
Into being fine Seniors,
Yet, you cannot hope,
To equal us.

To Juniors,
We miss you as freshmen rats,
Now you are all grown up,
Ready to take over our positions,
As Seniors,
Best of luck in struggling to dominate MSD,
As we successfully did this year,
We may not be there anymore next year,
But our mark will be always there.

To Everyone,
May God be with you,
Cheers,

Class of 1999!

Good Luck to the Class of 1999!

From 1999 Yearbook Staff

Oh, man! What can we say? Despite the early resolutions the yearbook staff made at the beginning of the year to be prepared and organized, it was really a crunch for us. Push came to shove when we had to spend late nights working on the yearbook. Our eyes became glazed from hours of staring at the computer. Our hands stank from hours of handling developer chemicals. Our bodies became stiff and exhausted from hours of sitting and puzzling over layouts. Our minds became burned out from hours of brainstorming. Yet, in spite of those ailments resulting from overworking, we perserved and succeeded in delivering the annual *Cornerstone 1999* to our beloved MSD community so that all may wonder and rejoice at what was then, and what is now.

Together with Mr. McKenna and Mrs. McKenna, we were able to accomplish much, though it was disappointing that we didn't achieve as much as we originally dreamed. Our advice to the yearbook staff in the future is to be always prepared ahead of time. That way, they will completely get what they want for the yearbook!

Many thanks to all people involved in the creation and fusion of *The Cornerstone 1999*! Credits to Stanley Baker, Nancy Benton, Paul Baker, Karen Russell, and Karen McKenna for their priceless assistance! Cheers!
